Becoming one of the heritage tourism destinations in Yogyakarta, Sumberwatu Heritage Resort takes its part to preserve the value of tradition and culture. The presence of Sumberwatu Site as archeological site is being supervised by Heritage Conservation Agency in Yogyakarta (BPCB Yogyakarta). This hidden jewel has its strong connection with the legend of Roro Jonggrang. This site was once known as Situs Sumberwatu by the villagers surround. Located exactly at the Open Theatre with over 200-tribune ccapacity, Sumberwatu Site has become the outstanding part of its own. The stage has hydraulic system stage with cutting edge lighting also sound system that will support the most dramatic performance held.

Sendratari Jonggrang is chosen as one of the art performance show not only to entertain but also encouraging the audience to get to know more about the magnificent dance art combined with the cultural legend. More to expect is the art music performance with Gamelan, as the traditional musical instrument will be perfect combination with the traditional dance. Together with the dramatic hydraulic system stage, sound system and multimedia, experience the stunning show of Sendratari Jonggrang only at Sumberwatu Heritage Resort.

The Open Theatre is also available for any performance in related to cultural art performance or commercial performance by private company, government, or artist. Celebrate the moment at our Open Theatre and making it memorable with us.
